## **PERSONAL STATEMENT**

I am a reliable and hardworking individual, willing to undertake new challenges. I pride myself on goodtime management as well as being extremely organized. I enjoy doing voluntary work, eg. helping at a kid's club and at the gym and helping at the Church charity shop and I also like using the projector to put on slide shows for the church.

## **KEY SKILLS/PERSONAL QUALITIES**

- Good Team working and communication skills through my voluntary work at church and also at the local karate club
- Able to work independently through my work at the kid's club, the gym reception, church charity shop, kids karate club where I would have to use my own initiative and work unsupervised when required, proving to be responsible and trustworthy
- I have gained good knowledge on various computer based packages, for example PowerPoint, spreadsheets, Microsoft word, windows 8, excel and partial access, Adobe Software (Dreamweaver, Illustrator, Premiere Pro and Photoshop)
- I enjoy learning new skills and would attend any necessary courses which may benefit me in the future. I understand that health and safety regulations are in place to protect me, as well as others and would follow them to the best of my ability
- I have gained a First Aid certificate and a Food Hygiene certificate through the Prince's Trust
- Access Level 4 Communication through the Prince's trust.
- PVG Disclosure Scotland for Assembly of God
- Holds a driving license since 2014

## **EDUCATION/TRAINING**

### **BA (Hons) Degree in Digital Media Design Development and Production: Robert Gordon University (2016-onwards)**

My time at university has involved problem solving and modeling, web design and development, creating highly interactive applications through a range of contexts incorporating 2D graphics and animation, 3D graphics modeling, contributing to larger scale group projects and finally a self-directed individual project in my chosen specialist area as well as modules in 3D animation and interaction.

### **HND Interactive Media: North East Scotland College (2014-2016)**

This is a very practical course what builds my design and technical skills and ensures that I have the necessary skills and knowledge to effectively implement my ideas and designs in media environments. I've worked on real projects with real clients, allowing me to develop an in-depth and accurate understanding of professional standards and what to expect in a digital media role.

## **SOFTWARE**

I have a lot of experience with these software:

- Adobe Dreamweaver (learned how to develop websites with this software at College)
- Adobe Photoshop (I have learned how to edit my images and create logos at College)

- Adobe Photoshop Lightroom (I have learned how to edit my images online as this was similar to Photoshop)
- Sublime 3 (free Web development software which I was recommended to by my lecturer)
- Adobe Premiere Pro (learned how to edit my video clips and create short videos for advertising and for fun at University)
- Adobe After Effects (learned how to create special effects with this software at university)

## **EMPLOYMENT/WORK EXPERIENCE/VOLUNTARY**

Fraserburgh Asda (July 2014-onwards) Retail stacking shelves in the Home and Leisure Department where I also collect parcels and give them to the customer and checkouts (this allowed me to work in a team, deliver the best customer service possible and to let the staff know that they can count on me to help when they need me)

Assembly of God (June 2014 – onwards): Youth Leader

Helping set up kid's club and help with youngsters (primary to secondary) and involved with media (videos, photos and slides) (this allowed me to be a leader, work well with others in a team and to display my creative arts in the media team)

Whitelink Seafoods (July-August 2013) Factory manual worker (involved hard work and that I can work in a busy environment and can work under pressure)

Paper round (Stephen's newsagents) (June 2012 – March 2013): which includes deliveries, organizing papers order and delivering invoices to customers (my first job for school pocket money and this allowed me to be relied on for delivering papers before going to school)

Power house charity shop (2012 – 2014): reception, stock room, sales and banking (allows me to get involved with the community and to deliver the best customer service that I can deliver)

Satorishido Martial Arts Instructor (March 2012 – Present): teaching children from white belt ages 4-16 (allows me to be a teacher and to take command of the class room and to help people)

Satorishido Karate Club: work experience (September 2011) (One week): reception, gym, office, sales, stock room, sales and banking (allows me to take responsibility for my actions and to work independently)

Elim Fraserburgh Community Church (2007 – 2016): Youth Leader

Helping set up kid's club and help with youngsters, helping with gym (Elevate) and doing reception, sales and locking up afterwards. Plus I have provided slide shows, projections, PowerPoints and sounds for events. (allows me to be a leader and to work well with others in a team)

## **HOBBIES/INTEREST**

I enjoy going to the gym and keeping fit, swimming, martial arts, cycling and cooking. Meeting new people and working as a team through my many voluntary roles allows me to interact socially with various age groups where I like to be heavily involved in. I love driving, I like to explore nice places and take photographs and edit them in Photoshop Lightroom, Photography is my favorite hobby and have previously done pet photography (through a workshop that runs weekly) and have done my friend's Wedding photos a few months ago and finally I have a new hobby and took up film making due to my love for movies and I have learnt how to film properly thanks to my time at University, I film content on my phone then edit the clips in Adobe Premiere Pro I really enjoy it and I like to get into the video production industry. I also have a YouTube channel.
